Product Information Bulletin HF-PMK1 Hanging Kit 10/11/2010 Application: Installation Kit for use with high bay **High Bay Fluorescent Accessory**fluorescent luminaires. Pendant Mount Kit Features: Includes: (1) J-box and J-plate (1) J-box cover (1) ³/₄" Conduit hub (2) 24" 18AWG wires (black and white) Assembly screws Approx. weight 1.75 lbs. Description Catalog # HF-PMK1 Pendant Mount Luminaire Kit HF-PMK1 allows fluorescent highbays without pendant mount lances to be pendant mounted. Plate must be installed from inside and power supply wires re-routed. For ease of installation it is recommended to order fixture factory configured for J-box (Factory Installed Option J); see High bay fluorescent spec sheet, Factory installed option 'J'. Specifications subject to change without notice Note: HF-PMK1 is compatible with the hole pattern depicted to the left. If the fixture has lances, the HF-PMK2 is needed. •
